**Pre-requisites:**

**Foreign/international applicants**
We strongly recommend you to submit your application documents at the soonest in order to facilitate your visa process. Candidates from 41 countries (outside EU) are required to follow the process of « Études en France ». More information are available on http://www.enpc.fr/resident-dun-pays-relevant-de-la-procedure-etudes-en-france

**Languages**
The required level of English is equivalent to a B2 level (common European framework of reference for languages)
Selection Process

The Admission Committee will examine all fully completed application forms with their supporting documents. Pre-selected candidates will be invited by mail for interview.

All the process (Electronic applications, pre-selection, invitation to interview, final decision) will be managed by e-mail. You are invited to check regularly the spam file of your mailbox to make sure none of our mails landed there.

At the end of this selection process, the Admission Committee will validate the list of candidates to enter into the program.

There are 4 admission sessions:

**Session 1**
Deadline for application submission: 12th January 2021  
Interviews: 15th January 2021 (9am-2pm)  
Admission jury: 18th January 2020

**Session 2**
Deadline for application submission: 9th February 2021  
Interviews: 12st February 2021 (9am-2pm)  
Admission jury: 15 February 2021

**Session 3**
Deadline for application submission: 9 March 2021  
Interviews: 12th March 2021 (9am-1pm)  
Admission jury: 15 March 2021

**Session 4**
Deadline for application submission: 9th April 2021  
Interviews: 9th April 2021 (9am-2pm)  
Admission jury: 12 April 2021

Admission Confirmation:

In order to confirm their admission to École des Ponts ParisTech, successful candidates must follow the following steps:

- **In case of personal financing:**
  - Return the vocational training contract, together with the proof of payment of the deposit of 20% of the training fee.

- **In case of company financing:**
  - Return the vocational training agreement or send a letter of commitment from a company financing the training.

Failure to respect these deadlines results in the loss of the benefit of the selection, to the benefit of another candidate placed on the waiting list.

Tuition Fee

The tuition fee for the 2020/2021 session of Advanced Master “Management of energy projects” is:

- 13 500 € if financed by the Applicant
- 15 000 € if financed by the Employer (partner of the Advanced Master: Accuracy, Assystem, CGI, EDF, IFRADD, EGIS, Orano, Teréga)
- 16 500 € if financed by any other Employer.

These prices are exempt from VAT.

We advise candidates to make sure they have adequate funds to support one year of academic study as well as personal expenses. Average budget for living expenses is 840/month (source UNEF, August 2018).

Please note:
The degree Mastère Spécialisé® (advanced master) is an institutional degree accredited by the Conférence des Grandes Ecoles. It is not accredited by the French ministry of higher education. The program is not registered at the RNCP. It is Datadock listed.

All incomplete application form will be rejected.
