Company Presentation
2 hours, Tuesday evenings or midday on Wednesdays and Fridays, lecture hall presentation of your company and its activities, together with drinks party organized by the Student Office.

Targeted Event
As an alternative to the company presentation, you speak to a targeted audience or on a topic or a particular technology. Event followed by drinks.

Coaching day
A day set aside for partner companies at the School to organize career workshops: case studies, simulated interview sessions, CV assessment workshops,…

One Day, One Company
A special day timetabled for second year students to visit your company premises or a site, a project center,…

Student Educational support
In collaboration with the faculty departments, contribute to student education by proposing:
• A faculty project: a practical project assigned to a supervised group of students.
• Lecture, site visit, testimonials,…

Communication Pack
• Priority publication of your internship offers.
• Publicise your company at the School’s and Student Office's different communication tools.
• Priority and targeted dissemination to students of your communication and events.

Access to the student CVbase
• CV uploading and selection by criteria
